

OSU ASID STUDENT CHAPTER

MONTHLY NEWSLETTER

HIGHLIGHTS

On October 13th, 2020, OSU ASID Student Chapter welcomed guest speakers Lane Hart, Maddie Bachlor and Sydney Hayes to discuss their portfolios with us. These upper classmen gave excellent feedback on how to brand yourself, and what projects are best to include in your portfolio. They stressed the importance of starting early, and getting on top of your portfolio design. On November 10th, 2020, OSU ASID Student Chapter welcomed Susan Malone of the Oklahoma ASID Chapter, as well as Cassandra Bailey of GH2 Architects. Susan informed our chapter that all students are welcome to join any Oklahoma ASID events. Cassandra gave insightful information on the best ways to study and prepare for the NCIDQ Examination. If you missed these meetings and would like to know more, contact any member of our officer team!
